Trees may only be removed for the following reasons. Please select the reason/s that apply to your request:

- Dead or dying trees
- Structurally unstable trees posing a safety hazard to nearby buildings, utility lines, pedestrian or vehicular traffic
- Trees preventing essential grade changes or reasonable utility installations
- Storm damage where fifty (50%) percent or more of the canopy is broken or damaged
- Trees preventing a reasonable site configuration including the establishment of a lawn
- Trees preventing a reasonable means by which building, zoning, subdivision, health, public safety or other municipal requirements can be met
- Written requirement by the corporate office of an insurance company affording hazard insurance coverage to the property requiring tree removal as a condition for continuing insurance coverage

Is the removal requested for new construction or an addition to an existing structure? YES \_\_\_\_\_ NO \_\_\_\_\_

**If YES:** provide a plat of the property showing the new structure or addition, any construction drawings, a tree survey of the area of the lot 10 feet outside the site improvement area showing the location of all significant trees (12 inches in diameter or more), designating all trees proposed for removal.

**If YES:** When is the projected start date of the construction or addition: \_\_\_\_\_

**All applications must include a sketch of the property showing the location of the requested trees. All requested trees must be clearly marked with ribbon to avoid confusion.**

### **The City of Forest Acres will not dispose of tree removal debris.**

I understand that any deviation from any submitted documents or information contained within this application will result in the revocation of this conditional permit and may be subject to penalties.
