# Information

The City of Forest Acres established a local hospitality tax for the purpose of funding the operation and maintenance of current tourism-related facilities and to fund projects and events that promote quality of life, tourism and recreation. As part of this, the City makes grant funding available to nonprofit organizations hosting events within the Forest Acres city limits and bona fide state tourism destination located outside of the city limits.

Grant funding is available to nonprofit organizations through a competitive application process. Applications for funding are accepted annually during the calendar year. Grant awards are finalized by City Council on a first come first serve basis. Additional information about the City of Forest Acres Hospitality Tax, including the grant application, can be found at: <https://www.forestacres.net/businesses/hospitality-tax>.

This document includes all information necessary to learn about and apply for a Hospitality Tax grant. Please review the information carefully prior to submitting a grant application.

## I. Hospitality Tax Law

According to the South Carolina Local Hospitality Tax Act, the revenue generated by the hospitality tax must be used exclusively for the following purposes (Section 6-1-730):

- (1) tourism-related buildings including, but not limited to, civic centers, coliseums, and aquariums;
- (2) tourism-related cultural, recreational, or historic facilities;
- (3) beach access and re-nourishment;
- (4) highways, roads, streets, and bridges providing access to tourist destinations;
- (5) advertisements and promotions related to tourism development; or
- (6) water and sewer infrastructure to serve tourism-related demand.

NOTE: A **tourist** is defined as a person who does not reside in but rather enters temporarily, for reasons of recreation or leisure, the jurisdictional boundaries of a municipality for a municipal project or the immediate area of the project for a county project. (Section 6-1-760).

## II. Eligibility Criteria

Non-profit organizations are eligible to receive grant funding. Applicants must provide a letter from the IRS confirming nonprofit status **OR** confirmation of registration with the South Carolina Secretary of State's Office as a nonprofit organization.

Events and Other In-City Criteria: Activities or entities located within the city limits of Forest Acres. The recipient must have a written plan for the use of funds and identify how the expenditure of HTAX funds will be utilized for a valid public purpose with the direct benefit of bringing tourism to Forest Acres.

Outside-City Criteria: Public organizations occupying a building, place, or institution devoted to the acquisition, conservation, study, exhibition, and educational interpretation of objects having scientific, historical, or artistic value (statutory language "cultural, recreational or historic facilities") located within the Columbia Metropolitan Area within reasonable proximity and access to Forest Acres. Such organizations must typically be identified as bona fide state tourism destinations. The recipient must have a written plan for the use of funds and identify how the expenditure of HTAX funds will be utilized for a valid public purpose with the indirect benefit of bringing tourism from the attraction to Forest Acres. No more than twenty (20%) percent of all annual HTAX funds received by the City shall be expended on out of city organizations.

The City of Forest Acres **WILL NOT** award Hospitality Tax funds to individuals, fraternity or sorority organizations, religious organizations, or organizations that support and/or endorse political campaigns.

### **III. Funding Guidelines**

The primary purpose of the application **MUST** be tourism. Priority will be given to projects that:

- Promote dining at restaurants and other eating/drinking establishments in the City of Forest Acres.
- Promote and highlight the City of Forest Acres' historic and cultural venues, recreational facilities, and events.

Promotional materials for the event/project (including, but not limited to, brochures, flyers, advertisements, etc.) must include a statement that "Funding assistance provided by City of Forest Acres Hospitality Tax Funds."

### **IV. Application Process**

Nonprofit organizations interested in applying for Hospitality Tax grant funding must complete a formal application and provide required supporting documentation. Applications for grant funding must be submitted on the City's current Hospitality Tax Grant Application; submissions made on any other form will not be considered. Incomplete applications will not be evaluated. Applications are accepted via email, mail or in-person delivery.

All applications for funding will be reviewed by City staff and the City Administrator. Staff will make recommendations for grant funding to City Council who ultimately make the final determination.

Applicants may be required to make a presentation to City Council. Council meetings are normally held on the second Tuesday of each month at 5:15 p.m. in Council Chambers. Applicants will be notified if such a presentation is required.

### **V. Grant Payments**

Hospitality Tax grants are reimbursable awards. The City of Forest Acres issues grant award checks after the submission of a reimbursement request form documenting all related expenses with copies of receipts, invoices and cleared checks. City staff will review all reimbursement requests and documentation against the original grant application and award criteria. Expenses not previously identified in the application will not be reimbursed.

After the reimbursement request form has been approved by the City, a check will be issued to the organization for reimbursement. Project/event vendors will **NOT** be paid by the City of Forest Acres; checks will be written only to the approved applicant. The approved applicant must submit an IRS Form W-9, Statement of Assurance, and a full budget for the project to receive reimbursement. The process of receiving a reimbursement grant check, after receipt and review of reimbursement form, takes approximately 10-14 business days.

If an organization is found to have unspent funding or has spent funding in any other way than as described and approved per the application, the funds must be returned to the City of Forest Acres.
