

Forest Acres Face Shield Application

Please return a copy of this completed application via email to sgreenwood@forestacres.net or hand deliver/mail to:

City Hall
5209 N Trenholm Rd.
Columbia, SC 29206

On July 21, 2020 Forest Acres City Council voted to purchase 1,000 Zverse Zshield Wrap face shields. City Council's desire is for the business community to utilize these shields to provide a safe and welcoming environment. We understand it is imperative during these trying times to ensure customers feel safe and protected so that they will continue to shop and eat in Forest Acres. Priority for the first 1,000 masks will be given to high traffic businesses such as grocery stores, restaurants, and pharmacies. Once the applications from these businesses have been processed, the City will distribute the remaining shields to other applicants. We appreciate your understanding and patience during this process.
